Jill Nordfors Clark – Tools/Supplies needed:

- Pencils /Pens - one or two pencils and an eraser. Fine permanent black felt tip pen (Sharpie)
- Paper - unlined sketchbook for recording ideas and making notes
- Needles - two large tapestry (blunt ended) needles, the kind used by knitters for assembling sweaters, (the ones with the turned up tips can be helpful)
- Scissors and Clippers - one pair large non-rusting paper or utility scissors, one pair small sharp sewing or embroidery scissors, small garden clippers for cutting twigs
- Matt Cutting Knife - with SPARE, SHARP replacement blades (IMPORTANT) and X-ACTO knife with a new sharp blade for fine cutting
- Ruler or straight edge for cutting foam board molds. I prefer an 18-inch stainless steel, cork-backed one. (Plastic rulers will be ruined by the knife blade)
- Odds and ends - masking tape, a small bottle of Elmer's glue, 5 to 10 plastic quart sized zip-lock freezer bags, waterproof apron or cover-up, small T-pins, or ball top straight dressmaker pins, old towel
- Images of your own work - postcards, books, or iPad for sharing with the class
- Students may want to bring their own lamps/extension cord – good lighting is essential.

Optional: There will be plenty of materials provided by the instructor, but if you have some favorites, and there's room in your luggage, bring them along. Possibilities for embedding in the gut are: cheesecloth, lace fragments, leaf skeletons, ribbons, colorfast threads (any color), metallic or novelty threads, fine wire, mesh grids
