

The National Basketry Organization is an inclusive community of makers and enthusiasts, whose purpose is to promote awareness, inspire creativity and foster appreciation for the heritage and artistry of basketry.

You are invited to submit work for the second annual NBO *Every 1 2022*.

The goal of the exhibition is to provide an annual all-inclusive, members-only basketry exhibition that demonstrates the breadth and scope of the basketry that NBO members create. All works in the exhibition will be on view in a dedicated gallery of images hosted on the NBO website until December 31, 2022. NBO encourages all its members to submit work for this celebration of basketry within our organization.

Every 1 2022 – Everyone who enters will have work included in this show.
