

2023 NBO CONFERENCE

TRADITION & INNOVATION IN BASKETRY 11

June 20-24, 2023
University of Puget Sound
Tacoma, Washington

NBO Conference Health Policy

This NBO Conference Health Policy has been adopted to foster a safe environment for all participants at the 2023 National Basketry Organization conference.

Vaccinations, per CDC guidelines, are recommended. Wearing a mask is optional. We encourage and respect each individual's personal health, safety, comfort and well-being decisions and will treat each other with kindness, grace and respect regardless of their decisions. If an instructor establishes a masking requirement as part of their workshop rules, students must comply.

Please note that while we are doing our best to create a safe experience, any interaction with the general public poses a risk of exposure to COVID-19 and other contagious diseases.

This policy is subject to change and further amendment based on updated University of Puget Sound, CDC, Washington state and local health guidelines and recommendations.
